This item "[Creator Chronicles: Joe Sinnott](#)" is solicited in the most-recent [Diamond Previews](#) catalog for November (although I don't know the actual shipping date) from [Amdale Media](#)

. I was interviewed a year and a half ago by Robin Dale at [Pittsburgh Comicon](#)

on behalf of [Joe Sinnott](#)

but I'm among many, much more-impressive creators with segments. Check out the first link above for more info!
