I have the [Terrificon](#) to attend in a week and FanExpo Boston Con the weekend after that. But months

ago I was invited to return to the [FanX Salt Lake Comic Con Fall 2019](#) for September 5-7 but

I couldn't officially make a statement until today! I, again, will be joining my oft-partner and pal

[Sal Velluto](#) from Black Panther, Captain Gravity, Aquaman, JSA, Bloodshot, the Kingstone Bible, the

Phantom and so much more! I had the greatest experience with the Utah community fans and staff so

I'm cheerfully hoping for more of that!
